To all our dear friends at Intasure,

On behalf of the Sisters and all those we minister to, we wish to thank you for all the pyjamas, toiletries, beanies, scarfs and gloves we received for our children.

Your commitment and dedication is most edifying and we hold you in high esteem and we have a deep admiration for your spirit of selfless giving to the needy and underprivileged.

I want to assure you what you did for us is tremendous; enabling us to meet the needs of the many we care for. Words cannot express our thanks and appreciation for your generosity, and the difference this makes in the lives of those we care for.

Please be assured that you will have a special place in the sisters prayers, and may the good Lord continue to bless you and all you hold dear.

Love and blessings,
